

ZION LUTHERAN SCHOOL 2017-18 First-Year Tuition Grant Application

Zion Lutheran School provides a grant to families who desire a Christian education for their child(ren) that will fund the cost of tuition for the family's first year of enrollment at the school. To be considered for this one-time grant, the parents or guardians must complete and submit this application to the Zion Lutheran Church and School office.

Funding for this grant is limited; therefore, families are encouraged to return this application as soon as possible.

If your child(ren) will not be attending Zion this coming academic year, but you are interested in them attending in the future, please check the box below and complete the name and contact information on the following side of this application:

- *My child(ren) will not be attending this coming academic year but, please keep us on the contact list for future years.*

To qualify for this grant, new families to the school must commit to the following criteria:

- Support the overall Christian educational program offered at the school.
- Show support of the school and its educational program by participating, whenever possible, in the activities of the school including the Parent Teachers League or other activities that may be provided during the academic year.
- Christian parents are encouraged to have their children regularly attend services at a local congregation of their choice. Non-churched families are encouraged to learn more about God's Word through the various opportunities at Zion or at another local congregation of their choice.
- At a minimum for both Christian and non-churched families, parents are encouraged to have their child(ren) attend a quarterly service at Zion church when the children's choir will be participating, since choir is part of the curriculum.
